# Why Choose CCA

At CCA, we seek to provide holistic solutions in line with the needs of the individuals and families we encounter. Equipped with over 20 years of experience in citizenship and residency matters, we strive to look beyond the surface when selecting options for our people – and this is precisely the rationale behind our tailor-made approach. Besides offering our full guidance throughout the process, we think you should be able to make an informed decision - by comparing the benefits, requirements, eligibility criteria and the key elements of the process for your assessment.

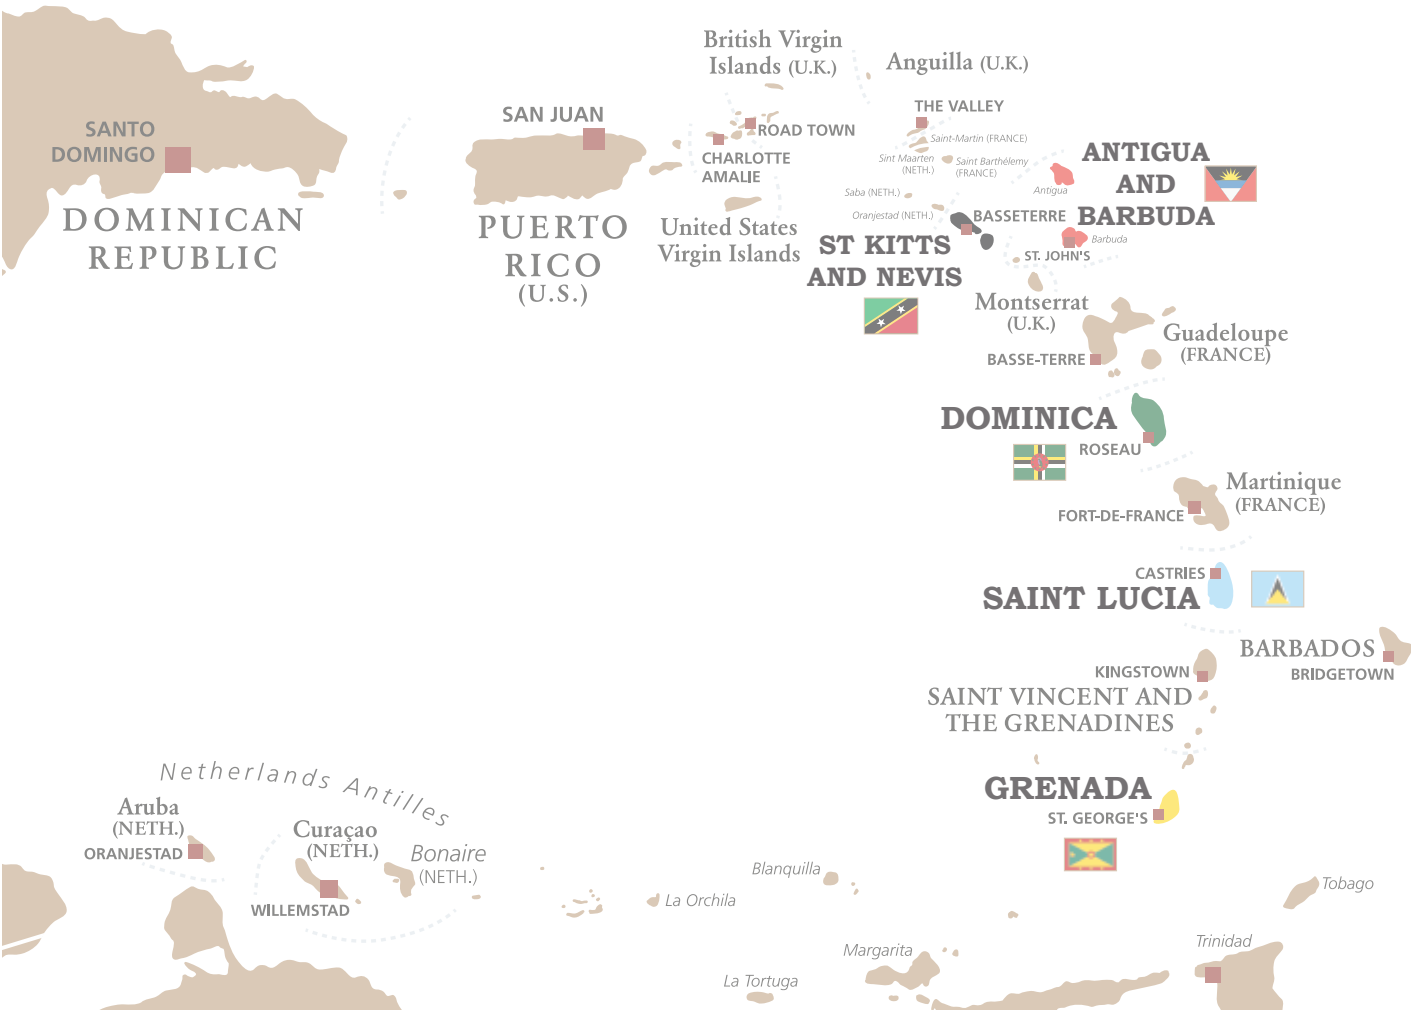

Our team of specialised Citizenship lawyers is dedicated to providing sound citizenship law advice and cross-border relocation assistance to private clients and high net worth individuals worldwide. Led by Dr Priscilla Mifsud Parker, CCA's Citizenship Law team is one of the most specialised immigration law practice in the field.

We have successfully represented individuals and families ranging from expatriate retirees, immigrants seeking employment, entertainment and sports personalities to HNW individuals listed in Fortune lists.

We also provide practical relocation assistance ranging from transportation of movable effects to schooling, renting or buying of property, obtainment of a driving licence and health insurance coverage
